### Subject: Any County Transactions & Fee Increases

HF 674 from the Iowa 2024 legislative session resulted in changes to Iowa code 321 effective January 1, 2025. Some of these changes may affect the fees you collect and submit to our office.

- Authorizes many vehicle ownership transactions to be processed by any county.
- Increases fees related to vehicle titling.

Transactions that may affect your fees include issuance of initial titles/registrations, replacement titles, dealer titles, salvage titles, and security interest notations.

Please note that changes have been made to Iowa DOT forms. Make sure to update documents for processing on January 1, 2025. All forms can be found at the Iowa Department of Transportation website and are fillable.

The following fees have increased by \$10.00:

- Initial title fee, currently \$25.00 = **new fee \$35.00**
- SI notation, currently \$10 = **new fee \$20.00**
- Fee for new registration, currently 5% purchase/lease = **new fee 5% purchase/lease + \$10**

You can read the full house file 674 at [www.legis.iowa.gov](http://www.legis.iowa.gov) or contact our office should you have any questions.

Thank you,
