The Des Moines County Conservation Board met in work session at the Starr's Cave Nature Center at 5:30 p.m. on February 13, 2013. All members were present with the exception of Chairwoman Rector.

Director Lee and Office Manager Behne were present. The items to be discussed were: Board By-Laws and Proposed Shotgun Range.

By-Laws were the first topic of discussion. Updating needed language and Iowa Code documentation was identified. Changes that were identified as necessary will be provided to the board at the next regularly scheduled meeting to be held on March 06, 2013. Changes will be provided for the boards review and comments.

Time did not permit the 'Proposed Shotgun Range' to be discussed. A work session will be scheduled one-half hour prior to the next regular meeting.

This Conservation Work Session was recorded and the recording is kept on file for two years. The minutes are also posted on the county's website.
