Sandy Dockendorff, Chair of the County Democrat Party, spoke in favor of raising the minimum wage in Des Moines County. She stated that 3 out of 5 small business owners support raising the minimum wage and added that Walmart increased their hourly rate nation-wide from \$9 to \$11. Dockendorff pointed out that Des Moines County is the 16<sup>th</sup> most populous county but ranks 81<sup>st</sup> in median household income. Angie Vaughan, speaking as a private citizen, stated that raising the minimum wage would be devastating to her laundromat business. She tries to be fair to her employees but can't afford to pay much more per hour. She prefers to give bonuses when possible. Peggy Wunderlich stated that several years ago she was a single mom, working two minimum wage jobs and raising two children on her own. She said that the Supervisors should want to help get workers off welfare. Broeker responded with statistics from the Congressional Budget Office. That report shows that a wage increase would lift 900,000 people above the poverty line but would also result in a net loss of up to 500,000 jobs. Broeker concluded that unemployment would be a worse result than a low paying job. Beck stated that he thought raising the minimum wage is the State's duty. If Des Moines County wants to attract big business but has a higher minimum wage than neighboring counties, the business will probably locate there. Dockendorff asked the Board to check the information on the links she provided. She plans to return to discuss this issue again.

The following personnel actions were approved: at Community Services, Carla Mertens was hired as Case Manager effective September 26, 2016. Her salary will be \$37,513.68 annually. Catherine Jarrett, Case Manager Supervisor, completed her orientation. Her salary remains the same at \$45,100.00. Motion to approve both actions was made by Cary. Beck seconded.

Beck moved to approve minutes for the Board meeting held on September 20<sup>th</sup>, 2016. Seconded by Cary.

Future agenda items: approval of a lease between Harmony Bible Church and DHS. Also, a work session with the County Attorney and Sheriff regarding a County Ordinance dealing with dogs running loose in rural areas.

Committee reports: Cary attended a Community Action Board meeting. Beck attended meetings of the Solid Waste Commission and DeCat.

Meeting was adjourned at 10:09 AM.

This Board meeting is recorded and the tape is kept on file for two years. The minutes are also posted on the county's website [www.dmcounty.com](http://www.dmcounty.com)

Following the meeting, the Supervisors and County Engineer took a tour of road projects.
