Any dog may be seized and impounded by the Board of Health, County Agent or a Public Safety Officer with an animal humane society, veterinarian, or other animal rescue organization under the following circumstances or as otherwise permitted under this Ordinance:

2. Any dog believed to pose a risk or threat of harm to any person or other domestic animal.

3. Any dog against which multiple complaints for causing a disturbance have

D. CONFINEMENT FOR RABIES QUARANTINE.

When the Board of Health, Public Safety Officer or any County Agent receives information that any person or animal has been bitten by a dog or that said dog is suspected of having rabies, the Board of Health, Public Safety Officer or County Agent shall order the owner or person in possession to confine such dog in the manner provided herein. The Board of Health, Public Safety Officer, or County Agent may require the owner or person in possession of the dog to surrender the dog for quarantine or shall otherwise have authority to enter upon the premises of where the dog is located to seize and impound the dog in accordance with this Section. It shall be unlawful for any person to conceal a dog or interfere with the confinement of a dog as authorized herein.

1. A dog must be quarantined by a licensed veterinarian or at the Des Moines County Humane Society at the owner's expense, if:
 - a. The dog, over six (6) months of age, has no record of current rabies vaccination. Unvaccinated dogs cannot be vaccinated until the end of the quarantine period, at which time the dog must be vaccinated at the owner's expense.
 - b. The events leading to the incident are such that rabies is suspected, there was no due cause for the incident, or the dog has suspicious recent history. This will be utilized even if the dog has a record of being currently vaccinated for rabies.
2. Home quarantine may be permissible if:
 - a. Conditions listed in Subsection (1) are not applicable and the owner can provide proper confinement and proper enclosure of the dog, complete with the posting of a sign in a conspicuous place, warning of possible rabies infection. Confinement will be done by the penning of the dog so that there is a metal barrier as to prevent the intimate approach of any other animal or person.
 - b. The owner of the dog shall sign an agreement to adhere to the rules of confinement for the designated length of time, and also agrees to notify the Board of Health immediately if the dog sickens, dies, or escapes.
 - c. The home confinement shall be subject to inspection by the County Agent to confirm proper quarantine confinement. If the quarantine confinement is determined by the County Agent to be lacking, the dog may be seized

and placed with a licensed veterinarian or animal shelter for the quarantine period at the owner's expense.

- d. The dog must be examined by a licensed veterinarian at the end of the quarantine period at the owner's expense, and revaccinated if the bite occurred within two months of the expiration date of the current vaccination. The owner shall submit written proof thereof to the Board of Health, Public Safety Officer, or County Agent. The quarantine period shall be ten (10) days for all dogs. With the approval of a licensed veterinarian, said dog may be euthanized and the brain sent for examination at the owner's expense, if it is not practical to confine the dog for reasons of health and safety. If the owner fails to confine such dog in the manner directed, the dog shall be apprehended and impounded, and after ten (10) days the dog may be humanely destroyed. The owner shall pay the cost of any impoundment.
3. At the conclusion of the quarantine period, if not current on rabies vaccination, the dog shall be vaccinated and examined by a licensed veterinarian at the owner's expense. The owner shall submit written proof from the licensed veterinarian of the vaccination and health status of the dog to the County Agent within 24 hours following the quarantine period. The County Agent shall then notify the person who was bitten by the dog of this information within 24 hours of receipt of the final written proof of health.
 4. Nothing in this ordinance is intended to negate any duties and/or responsibilities set forth in Iowa Code Chapter 351. In the event any provision of this ordinance is inconsistent with Iowa Code Chapter 351, Chapter 351 shall preempt.

E. DES MOINES COUNTY ANIMAL CONTROL BOARD.

The Des Moines County Animal Control Board (hereinafter "Board") shall consist of five members. At least one member shall be a veterinarian, one member shall own livestock, and one member shall have expertise in animal training, animal behavior, animal science, or animal welfare. At least three of the members shall be residents of unincorporated areas of Des Moines County. All members shall be residents of Des Moines County.

The Board shall meet at least twice per year. Its meetings shall be open to the public. Hearings before the Board shall be governed under Iowa Code Chapter 17A and shall be scheduled as necessary.

F. DES MOINES COUNTY ANIMAL CONTROL BOARD ABATEMENT PROCEDURES REGARDING POTENTIALLY DANGEROUS DOGS AND VICIOUS DOGS.

In the event that the Board of Health, County Agent, or Public Safety Officer has probable cause to believe that a dog is potentially dangerous or vicious in violation of this Ordinance, the Board of Health, Public Safety Officer, or County Agent shall be empowered to file a complaint and request a hearing before the Des Moines County Animal Control Board for the purpose of determining whether or not the dog in question should be declared potentially dangerous or vicious. If the dog has not been impounded, the Board of Health, Public Safety Officer, or County Agent shall notify the Board in its request for a hearing. The Board may authorize impoundment of the dog prior to a hearing.

The Board of Health, Public Safety Officer, or County Agent shall conduct or cause to be conducted an investigation and shall notify the owner or keeper of the dog in question that a hearing will be held. The hearing shall be held promptly within no less than five (5) days nor more than ten (10) days after the service of notice upon the owner or keeper of the dog. The Animal Control Board shall serve a copy of the complaint and notice of the hearing on the owner of the dog. Notice of hearing may include an immediate order for impoundment of the dog at issue.

The hearing shall be informal and shall be open to the public. The Board of Health, Public Safety Officer, or County Agent shall present its investigative findings to the Board. The Board may hear testimony from affected or concerned persons and other witnesses. The owner shall be permitted to present evidence to the Board and cross-examine witnesses. After the hearing, the owner or keeper of the dog shall be notified in writing of the determination.

The Board shall have the authority to declare a dog as potentially dangerous. The Board shall issue a written decision with its findings. The Board may issue restrictions in addition to those set out in Section G to the owner or keeper of the potentially dangerous dog at the owner's expense if the dog can be appropriately returned or kept by the owner. The Board shall further have authority to humanely euthanize the dog at the owner's expense if the Board determines there has been a previous finding that the dog was potentially dangerous. The Board shall maintain a list of dogs the Board has determined to be potentially dangerous, which shall be available to the public.

The Board shall have the authority to order a dog determined to be vicious to be humanely euthanized at the owner's expense. The Board shall also have the authority to permit the dog to be placed with a licensed rescue organization that is willing to accept the vicious dog if the exceptions in Section J do not apply.

If a determination is made that the dog is vicious, the Board shall further determine whether to impound the dog if impoundment has not occurred prior to the hearing. The owner shall comply with the orders of the Board, including turning over the vicious dog to the Board of Health, Public Safety Officer, or County Agent for impoundment. The owner shall not remove or conceal the whereabouts of such dog while a contested

case is pending or prior to enforcement of an order for impoundment. Concealment or refusal to abide by an order to impound may be considered contempt of the order of the Board.

If the Board determines that a dog is either potentially dangerous or vicious, the owner shall be required, at their own expense, to have the dog microchipped so the identity of the dog can be properly determined in the event there are future complaints involving the same dog.

If the owner or keeper of a dog contests the determination by the Board, he or she may bring a petition appealing the determination in the district court. If the dog has been impounded, the owner shall remain liable for all costs of continued impoundment during such appeal to the district court.

G. KEEPING OF POTENTIALLY DANGEROUS DOGS.

A potentially dangerous dog shall at all times be kept confined within a residence or in a secure, proper enclosure. The enclosure shall be locked with a key or combination lock to prevent the entry of children. When outside of the enclosure, the dog must be kept on a substantial leash of no more than six feet in length and under the control of a responsible adult.

If there are no additional instances of the behavior described in Section B(3) within a 36-month period from the date of designation as a potentially dangerous dog, the owner may petition the Board for the dog to be removed from its list of potentially dangerous dogs.

H. RIGHT TO KILL.

The County reserves the right to euthanize any dog not under observation for rabies or under rabies quarantine for which no reasonable veterinary care would prove to be practical to sustain said dog, when said dog is afflicted with a contagious disease which would endanger the welfare of the other dogs in the shelter, any dangerous dog, or any dog declared as vicious by the Board.

Any dog may also be euthanized or destroyed as otherwise permitted by law.

I. KEEPING OF VICIOUS DOGS PROHIBITED.

No person shall keep, shelter or harbor any vicious dog as a pet, or act as a temporary custodian for such dog, or keep, shelter or harbor such dog for any other purpose or in any other capacity within the County except as provided in Section J of this chapter.

J. VICIOUS DOG EXCEPTIONS.

The prohibition contained in Section I of this Ordinance shall not apply to the keeping of vicious dogs in the following circumstances:

1. The keeping of vicious dogs in a bona fide, licensed veterinary hospital for treatment.
2. The keeping of vicious dogs by a wildlife rescue organization with appropriate permit from the Iowa Department of Natural Resources.
3. Vicious dogs while utilized by any law enforcement officer in the performance of enforcement work.

PENALTIES. Violations of this Ordinance shall constitute a simple misdemeanor as provided in Iowa law unless otherwise specified.

NO LIMITATION

Nothing in this Ordinance shall be deemed to supersede or limit any other statutes and regulations permitted under Iowa law.

SEVERABILITY.

If any section, paragraph, clause, or provision of this entire Ordinance, including 6A through 6I shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect the remaining provisions of this Ordinance.

During public input, John Carter, 12113 Flint Valley Drive, Burlington, introduced Rory Allsup, Joe Stevens, and David Williams. Their concern was a sink hole on Celestia Drive. Discussion was held with Engineer Brian Carter. Carter explained that the county is no longer liable for repairs to entrance culverts due to the amount of time and money that was being spent on culverts. The change was made four to five years ago. Joel Schwenker, 12283 Celestia Drive, Burlington, entered after the discussion began and asked for documentation to share with property owners as to when the county stopped paying for culvert repairs. Discussion moved to signage for "Do not spray" and "Do not mow" for milkweed for monarch butterflies. Carter agreed to look at the culvert and give the property owners his opinion on how to repair it.

The meeting was adjourned at 9:55 AM.

Following the meeting, a work session was held with Elected Officials regarding the recent law change abolishing the compensation board.

This Board meeting is recorded. The meeting minutes and audio are posted on the county's website www.dmcounty.com
